Village of Cleveland Newsletter

Cindy Huhn, President's Message

I would like to extend my sincere thanks to the residents of Cleveland for re-electing me to serve as your village president. It is an honor for me to represent you within our community, at Manitowoc County functions, and at regional and state meetings. I look forward to the next two years, working together with the trustees, the commissions, and the staff, to address the challenges that come before us. I will do my best, to make the right decisions for our entire community.

I would like to thank the people who have retired from village positions this past April. To Nila Born and Greg Stoeckigt, who served on the Plan Commission, and to Robert Prigge and Ted Behling, who served on the Board of Appeals, thank you for your years of dedicated service. Your guidance and commitment to this community were sincerely appreciated.

I would also like to extend a welcome to the new people who were appointed to village positions. John Ader and Tom Martin have joined Bill Thiele, Fred Sohn, Chris Jost, Lorraine Holzem, and myself on the Plan Commission. Sandy Brost and Beth Raffaelli have joined Ray Block, Fred Bitter and Don Pirrung on the Board of Appeals. Tammy Serketich agreed to serve another term with Robert Guenther, Cynthia Roeck, Joe Leonhard, and Ron Hansmann on the Police Commission. Thank you for getting involved in your community.

In May, Ron Jost Jr. was hired as a full-time police officer in Cleveland. Being raised in the area, Ron is very familiar with our community and personally knows a lot of our residents. Please welcome Ron back to Cleveland when you see him.

This summer you will see a new squad car in Cleveland. The 1993 Chevrolet has been retired. This vehicle served the community well, but after two engines, three transmissions, and 140,000 miles, its reliability in an emergency situation, became questionable. Prior administrations began budgeting funds to handle major purchases, like the squad car or public works equipment. Their foresight allowed us to use your tax dollars wisely.

To create more community awareness of the issues that face the Village Board, we will begin a special invite program. Each month, we will invite an organization or business to attend our Board Meeting. This will be an excellent opportunity for the Board to learn what our organizations and businesses are doing within our community. In return, our Board will share the facts on the issues that are before us. In future Newsletters, a list will be provided of those special invites. Remember that all Village meetings are posted in advance and open to the public. Please come to learn what is going on in your community.

Police Department

The police department conducted a survey focusing on community services. All the data has not yet been compiled, but for the most part the community has a positive outlook on the operating hours along with the services provided.

The police department along with the police commission completed interviews for the full-time patrol position. Ronald E. Jost Jr. has been selected for the position. Ron is originally from Cleveland, and is looking forward to serving the community where he grew up. Ron has a B.A. degree in Criminal Justice Administration with a minor in Business Administration. He will be completing his M.A. degree for Special Education-Learning Disabilities Teaching within this coming year. Ron has worked for several police departments including the Manitowoc County Sheriff's Department, Kiel, Sheboygan, and Elkhart Lake, with a total of 11 years of law enforcement experience. Ron has two young daughters and is looking forward to moving back

to the small town atmosphere. Please welcome Ron and his family to the community.

SCHOOL OPEN...

Remember the speed limit in a school zone is 15 MPH when children are present Monday through Friday 7:30 a.m.-4:30 p.m. The fines double for speeding in a school zone when children are present. The last day of school is June 13, with an early dismissal at 1:30 p.m.

ACTIVITY REPORT

The daily activity for the months of February through April 2003: The police department had responded to the following calls for service. One car lock out, two parking complaints, two dog at large, two 911 calls, four records requests, five thefts, three house watches, three agency assists, one vandalism, one found property, five background checks, one traffic control, one officer safety, one crash, four information, two loud noise, one security request, one barking dog, one absconding, one damage to property, two tobacco compliance checks, one garbage violation.

Cleveland Senior Citizens

Monday, June 23, 6:30 a.m., leave St. John and St. Peter Lutheran Church parking lot on our way to North Freedom for a train ride to the past.

At the Mid-Continent Railway Museum we'll take a seven-mile ride on an early 20th Century train. These trains are pulled by vintage steam locomotives, including the last operating Chicago and Northwestern steam engine. The museum includes an 1894 depot, wooden water tower, locomotives, railroad cars and equipment displays.

Included is our lunch at The Lodge Sports Bar and Grill, Portage, featuring homestyle cooking.

Stop at J.W. Jung Seed Co. at Randolph for a visit to one of the largest plant, seed and perennial growers in the state. We'll have the option of a tour of the growing area or the perennial yard where they grow over 700 different perennials.

Time permitting, we plan to stop near Dalton and visit an old-fashioned Amish grocery store before heading home, hopefully arriving by 7 p.m.

Cost of \$35 per person includes transportation by Sunset Tours, Inc., admissions and lunch.

Call Millie Bogenschultz at 693-8852, Lorraine Van De Loo at 693-8060 or Kathy Jaehnig at 693-8921.

Cleveland Athletic Club

Summer leagues are just getting under way. Come on down to the park to get your fill of baseball, softball and/or volleyball. Little league teams have also started practicing. So there is a lot of activity at the park.

The Cleveland Wildcats play at home on June 1, 8, 29, July 10, 13 and August 10. Sunday games start at 1 p.m. and include a public brat fry. Look for our reminder signs or just smell summer is in the air.

REMINDER: Softball Tournament June 27-29. If you are interested in getting a team in, call Dennis Roethel at 920-894-4834, or Dale Wagner at 920-693-3650. There is sure to be plenty of food and fun for all. Come join us.

To join this wonderful organization, just come to a meeting or speak to a member. Our June, July and August meetings are the first Monday of the month at 7:30 p.m. at Paulie's Palace or at Veterans Park. Come check it out.

Cleveland Neighborhood Watch

Our April meeting was very informative regarding terrorism. How are we prepared? What can we do? What should we look for? Our May meeting was about village ordinances. We will have off in June. Then in July we will be meeting to plan "National Night Out" on August 5.

Come and join us celebrate the wonderful safe village we live in. Let's keep our village safe by staying involved. If you have any concerns or want to learn more about how to remain safe, stop in at the Cleveland Police Department or come to one of our informative meetings.

Our meetings are normally the second Wednesday of the month at the Linden Street Elderly Housing Unit at 7 p.m. To verify a meeting date and time, you may find it posted on the bulletin board in the village hall or please call (920) 693-3442.

The Greater Centerville Historians

The Greater Centerville Historians were organized to research the history of the Township of Centerville and Cleveland following the 150th celebration of the Township of Centerville.

It was felt so much history was and is locked away in people's memories and attics. The first gathering of the Greater Centerville Historians occurred in November of 2000 at the former Red Arrow School in Hika.

The people in attendance included Richard Otto Wiegand, Walter and Florence Kress, Diana Kolb, Marie Pippert, Dorothy Anderson, Val Jean Marco, Kathy Pearce and Kathy Sixel.

Gerald O'Neil, the videographer, records the meetings of the Greater Centerville Historians. He records historical information through interviews and discussions with present and former individuals of the local community. He also videotapes photographs to assist in preserving the history.

The Greater Centerville Historians are presently researching the history of the Village of Cleveland. They have already researched the Village of Hika, Point Creek Park, Rutherford's Surf Motor Motel, the railroad and several area cemeteries. The videotapes will be archived at Lakeshore Technical College in Cleveland and will be available for the public to check out later this summer.

The meetings are fun as well as educational. It is so amazing when a discussion is held regarding an event like the dam picnic or the industries, the different memories each person recalls. If you have any information you would like to share or photos of the past, contact Richard Wiegand or Kathy Sixel so copies can be made.

Meetings are held the second Monday of each month at the Centerville Town Hall. Everyone is welcome. The only requirement is to bring your best memories and photos to share. For more information contact Kathy Sixel at (920) 693-8525.

Letter from the Principal

It's hard to believe, but another school year is just about over for the students of Cleveland Elementary School.

The school year concludes on June 13 at 1:30 p.m. It is my hope that all of the children and their families have a safe, fun and relaxing summer vacation.

I would also like to take this opportunity to thank the Cleveland community for a great first year as Cleveland Elementary School principal. Cleveland truly is a special place where children are supported and given a well-grounded upbringing. Through the work of the staff with the support of the community it is clear that Cleveland is a great place for children to learn and grow. I thank you for giving me the opportunity to serve you and your children.

This summer the Cleveland school library will be open once again from June 23 - August 11 on Mondays from 8:30-12:30 p.m. with a story time starting at 9:30 a.m. The story time will be ran using volunteer parents and staff and will provide a chance for four-year-old through fifth graders a chance to enjoy new and classic books. Please come and use this great asset for the children of the community.

In looking head to next year, school registration is scheduled for Thursday, August 7. Registration hours will be 8 a.m. - 12 p.m. and from 1 p.m. - 6 p.m. Parents are reminded to make sure that they have all of the registration forms complete so they can be turned in at this time, and that they should be prepared to pay the registration fees and provide money for their child's lunch account.

School begins on Tuesday September 2, and at this time, I would also like to

Cleveland Elementary PTA

We would like to thank everyone who has collected cereal box tops and Campbell soup labels. Don't forget to keep on collecting. There are two drop off spots (one at school and the other at the Cleveland State Bank). Every little bit helps the school earn great prizes and money for the children.

Spring Egg Hunt was a success, it was great to see all the children!

Cleveland Fish And Game

The Cleveland Fish and Game would like to thank everyone who supported us in the past years during our fundraising efforts.

With your support the Fish and Game in conjunction with the States Stewardship Fund and Manitowoc County Fish and Game were able to purchase additional land in the Cleveland Swamp, south of the Village. This land is guaranteed public hunting areas for present and future generations.

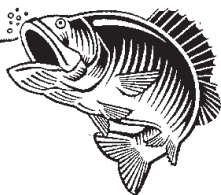

The land will be accessible from the Lakeshore Drive parking lot and a walking right-of-way starting from Dairyland Drive. The trail will be marked at a later date.

Upcoming Events

Poultry Shoot, Sunday, June 22 at the Cleveland Fish and Game Club House located on S. Union Road west of town. Shooting starts at 10 a.m. with food and refreshments served all day. There will also be raffles all day.

Fishing Derby, July 23, 26, 27 at Hika Park. Food and refreshments will be served all three days with live music on Saturday night. Ticket drawing will begin Sunday at 4 p.m. with the main raffle drawing at 5 p.m. Prizes on main raffle are a \$500 cash prize donated by Cleveland State Bank and other prizes donated by Boatwork, Schuette Heating and Cooling, Kohler Co. and Miesfeld's. Tickets available at local businesses and at the derby.

For tickets and derby information, call Larry Dassler at (920) 693-3373 after 5 p.m. or Jeff Stoeckigt at (920) 693-8909. Enjoy the summer and have a safe fishing and hunting season.

"Where the Cross of Jesus Christ Shines Brightly"

Hello Gardeners!

Spring is here at last and you can't remember where you planted that great, late fall perennial plant you got on sale?

Before you start an excavation of your entire flower garden, just give it a little more time. Just because it says "spring" on the calendar, doesn't mean the entire plant world is ready to emerge from its winter dormancy. Some of our plants don't start greening up until late May or later, and depending on weather conditions, we've had our peonies blooming as late as the Fourth of July. (I swear!)

So, hold back and don't disturb some poor unsuspecting root. How would you like it, if someone took a garden scratcher across your forehead while you were sleeping? You might just decide to stay in because you were disturbed before your time.

Thanks again to all who helped set up, work at, clean up, or donate to our plant sale. We appreciate everything that was donated and the energy expended.

"The Great Container Contest" is back. Anything that will hold dirt and a plant can be entered into the contest.

You need to bring your planted container to the Dairyland Festival on Sunday, June 22 between 10 a.m. and noon. Remember, the festival this year is at Firemens' Park in Newton. The top two vote getters will receive gift certificates to Blooms and Basil of Manitowoc.

All containers need to be picked up just after 5 p.m. Winners will be determined around 5 ish.

The garden club potluck dinner will be June 12, 5:30 p.m., at the home of Nancy and Earl Oehldrich at 9826 Cleveland Road.

We will also get to visit their ponds, so please wear appropriate footwear. I hate it when my tennies squish water when I walk, so I'll bring boots along.

The club is revisiting the property of Mary and Les Rhines on Tuesday, June 17 at 6:30 p.m. W1325 Orchard Road, 2.5 miles south of the Cleveland stop light. We'll meet at the village hall parking lot and leave as a group at 6:15 p.m.

Our next garden visit is at the home of Vickie and Chip Frauenfeld on June 26. We'll meet again at the village hall parking lot and leave as a group at 6:15 p.m. They are at 1024 Juniper Street, two doors north of Paulie's Palace.

For your extra gardening interest: The Manitowoc Garden Club, is having a garden walk on Saturday, July 19. The walk will feature small city gardens that were handed down from mother to daughter.

If you have just a small space to garden in, this may be a real good thing to check out. You can never get too many ideas for your garden.

Have a great summer out in the yard tending your flowers and veggies, pulling weeds...maybe you can forget that last one.

And don't forget to plant a row for the hungry if you have the space.

Yes, for those who care....Ivan was back, drilling for oil in our front yard again.

Someday I'll get that animal....what I'll do with him if I ever get him I don't know. But it gives me great pleasure planning his demise. (Blood thirsty aren't I?)

Happy Gardening!

East Wind Garden Club President-Lynn Fiedler

Public Works Department

The Village has clarified the solid waste agreement with Superior Services on how large appliances and items containing freon will be handled.

Appliances that do not contain freon such as stoves, dishwashers, wash machines, dryers and large console televisions sets can be placed out at the curb on the day of garbage pickup. Superior Services will pick the items up latter that day. Items that contain freon such as refrigerators, freezers, air conditioners, and dehumidifiers can be taken to Superior Services collection site located at 2905 Paine Avenue in Sheboygan and disposed of free of charge with proof of Village residency.

Hours of operation are 7 a.m.-4:30 p.m. Monday through Friday and 7:30-11:30 a.m. on Saturdays. If curbside pickup is requested, Superior Services will pick up the item on the third Wednesday of the month at a charge of \$50. Residents must call Superior Services at 458-6030 in advance to make the proper arrangements. Advance payment is required before an item will be picked up.

Now that the growing season is upon us, free mulch is available to village residents. The mulch is located behind the wastewater plant located on White Tail Lane. The mulch is excellent gardening material.

The Village Public Works Department flushes water mains throughout the village twice a year. Please watch for the flushing notices that are posted throughout the Village and avoid doing your laundry during this period. The water may become rusty colored and could possibly stain your clothes. If you experience discolored water, flush an outside faucet until the water runs clear.

Thank you for your understanding.

Park Reservation Policy

There have been a few changes made to the Park Reservation Policy for the Village of Cleveland, effective June 1, 2003. The fee will be \$50 per day/\$100 deposit (resident) and \$100 per day/\$150 deposit (non-resident) due at the time of reservation. A dumpster will only be provided at Veteran's Park.

All parks host occasional or ongoing events for which reservations are not required. You are encouraged to check with the Clerk's office to determine whether the park you are reserving will be used the same evening for regularly scheduled ball games or other events.

I want to thank everyone for the help and support in keeping the site going.
