Village President's Message

Cindy Huhn, June 2004

I would like to thank the people who took the time to vote in April. Chris Jost, Gayle Pfeifer, and Steve Walters were elected to serve as village trustees for the next two years. I would also like to extend a sincere thank you to Larry Schetter for his service as a village trustee the past two years. It was a pleasure working with Larry, as he always kept our village residents in mind when making decisions.

Chris Jost, who is employed at the R. P. Jost Company as a plumber, is in his third term as village trustee. Chris does a great job using his knowledge with the Public Works Committee, the Insurance Committee, and the Plan Commission. Chris is a member of the Cleveland Fire Department and enjoys playing the guitar with the Red Star Express. I recently learned that Chris's grandfather, Ralph Jost, was instrumental in the 1950s and 1960s in our village being incorporated and providing this community with village water and sewer.

Gayle Pfeifer is a life long resident of Cleveland. About 18 months ago, Gayle was appointed to fill a vacancy on the village board. She learned a lot of new things about the village during that time and I am happy she will continue to serve as a village trustee. Gayle is employed in administration at the Muth Company in Sheboygan and is the mother of two adult sons and a proud grandmother. Gayle will share her talents with the Finance Committee and Human Resources Committee.

Steve Walters is the new person elected to the village board. Steve has lived in Cleveland for a few years and is the General Manager at the Cleveland Burger King. Steve likes the outdoors and is a proud father of three college age daughters. Steve will be working with the Public Works Committee and looks forward to learning more about the community.

The village board continues to learn about this community, as we have community presentations at some of our meetings. We have heard from Kevin Behnke, our County Board Supervisor, the Cleveland

Fire Department, the Cleveland Athletic Club, the Cleveland Lions Club, and the Cleveland Fish & Game. It has been very beneficial for us to learn how important these organizations are to our community. It has also provided an opportunity for the organizations to ask questions of the board.

Take time to enjoy your community this summer. In June, we have the East Wind Garden Club's Garden Walk, with lunch served at the Town Hall by the Cleveland Snowhawks Snowmobile Club. In July, the Cleveland Fish & Game will hold their Fishing Derby at Hika Park. On July 31 and August 1, the Cleveland Lions Club will be holding their Dairyland Festival in Dairyland Park, along with a parade! All summer long, the Cleveland Athletic Club has wonderful sporting events and brat fry's planned at Veterans Park. Please remember to support these community activities. Their success in turn makes Cleveland a better place to enjoy!

Cleveland Elementary PTA

The Cleveland PTA would like to extend a heartfelt thank you to the community for its continued support of our school and fundraisers.

Kringle Sale—Thank You to everyone who bought and sold Kringles. You all did a great job! Half the profit from this sale will be put towards the Birthday Book Club. This is a program we have at school that when it is a child's birthday, they pick out a book and their name is put in the book on a placard. The book is then donated to the library in the Birthday Child's name. This is great because the children have special books with their very own name in them and the library "grows." The children really like choosing the book and knowing that their name will be in it for future students to enjoy!

Don't forget...keep on collecting the Campbell Soup Labels and Box Tops from General Mills products, Tyson Project A+ and Milk Caps. Remember these are great ways to earn free merchandise for our children's school with little effort on your part.

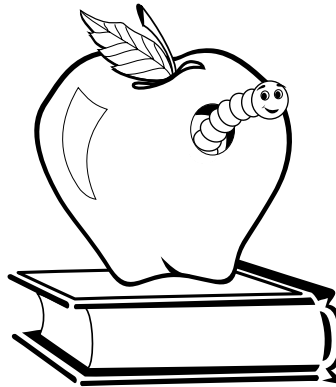

And be sure to keep collecting thru summer and turn them in when school starts again in September or drop them off at the bank.

Wendy Henschel, Public Relations

Cleveland Elementary School

It's hard to believe, but another school year is just about over for the students of Cleveland Elementary School. The school year concludes on June 11 at 1:30 p.m. It is my hope that all of the children and their families have a safe, fun and relaxing summer vacation.

I would also like to take this opportunity to thank the Cleveland community for a great year as Cleveland Elementary School principal. Cleveland truly is a special place where children are supported and given a well-grounded upbringing. Through the work of the staff with the support of the community it is clear that Cleveland is a great place for children to learn and grow. I thank you for giving me the opportunity to serve you and your children.

This summer the Cleveland School library will be open once again from June 22—August 17 on Tuesdays from 12:30-3 p.m. with a story time starting at 1 p.m. The story time will be run using volunteer parents and staff and will provide a chance for four-year-olds through fifth graders a chance to enjoy new and classic books. Please come and use this great asset for the children of the community.

In looking ahead to next year, school registration is scheduled for Tuesday August 3. Registration hours will be 8 a.m.-12 p.m. and from 1—6 p.m. Parents are reminded to make sure that they have all of the registration forms complete so they can be turned in at this time, and that they should be prepared to pay the registration fees and provide money for their child's lunch account.

School begins on Wednesday, September 1, and at this time, I would also like to make you aware of our next open house, which is scheduled for Tuesday, August 31, 5-7 p.m. Community members are welcome to attend. We hope to see you there.

As always, please feel free to contact me if you have any questions or concerns, or if you would like to get involved with the school in any way.

You can contact me by calling the school office at 693-8241 or by email (thamm@sheboygan.k12.wi.us)

Have a great summer and good fishing season!

Hello Gardeners!!

First off, some really good news. The East Wind Garden Club wishes to give a major league thank you to the Cleveland Fire Department. They have been gracious and offered the firehouse for a meeting place for us. We really appreciate their generosity.

I would personally like to thank the committee for our Melinda Myers event. They were Sandy Brost, Kari Gougar, Kathy Kultgen, Mary Rhines,

Bonnie Kummer, Judy Scheidt, and myself. They worked very hard to make this a success. The entire club came through when it came to baking, setting up and cleaning up after the event.

We had a wonderful turn out and Melinda was just a treasure of information. Hopefully we can plan something similar in the future.

This summer we will once again host a garden walk. It will take place Saturday, June 26, 9 a.m.-4 p.m. RAIN OR SHINE! The cost again is \$1 per garden, pay as you go. The Cleveland Snowhawks snowmobile club will again sponsor the Food Court. Come visit our six super gardens for lots of gardening ideas and when you get hungry, stop at the Rosebud Cafe for a delicious lunch. Mmmm...good!

Our six gardens are at the homes of, Bob and Barb Pragalz, 1521 Lakeshore Road, Cleveland, John and Idell Kirsch, 1148 Lakeshore Drive,

Our club would also like to thank everyone who donated plants and their time to work for our plant sale. It's community cooperation that makes events like this successful and enables us to maintain the community gardens.

Now for the bad news...Ivan, the Terrible woodchuck lives. Our neighborhood thought they really got him last fall, but he's back, bigger, hairier and fatter then ever. He has eaten off the majority of our Heuchera plants, again and I would think the lilies at the far end of the yard are next. He ignores the trap with the vegetables...actually he probably

laughs at it because I think he's too big to even fit into it...that Heuchera chomping, veggie destroying, four legged hairball. We'll get him...I hope.

Hopefully, by the end of June the banners will be up and decorating the streets of our village. Besides the garden club, the ladies VFW Auxiliary, the Cleveland Snowhawks, Mr. and Mrs. Dan Deehr, and Mrs. and Mrs. Rich Velten have made donations towards the purchase of the banners. We thank you from the bottom of our weed pulling hearts. We will still accept any and all donations towards the banners. Every bit helps in a purchase of this size.

Later this summer, come August, keep your eyeballs peeled on the community beds. The garden club will have a special design element added to the gardens in recognition of the big golf tourney approaching.

Something else to note. The garden club has retired its old garden signs and will be replacing them with neatly carved cedar signs that are quite attractive. We hope you'll check them out when you're out cruising or taking your daily walk.

It's almost time to get out the pickaxe and get the veggie garden planted. The frost should be gone one of these days. Just don't forget to plant a row for the hungry. You'll be helping someone in need and be getting a feeling of accomplishment also. Contact your local food bank for details on produce drop off.

That wraps it up for this bulletin. I am seriously thinking about putting up a wanted poster for Ivan. What could the reward be...BEER!! Not only does it work on slugs, but also it may get out a couple of thirsty trappers. Yeh, yeh, that's the ticket.

Have a great summer!

Happy gardening!!!

PGA Meeting

On Wednesday, June 16, a community meeting is scheduled with PGA officials. The meeting will be held at the Cleveland Village Hall at 7 p.m.

In the spring of 2003, our community organizations were brought together for a meeting to discuss what we should do for the 2004 PGA tournament at Whistling Straits. The outcome of the meeting was, we are too close to the action. PGA attendees will be able to stay at the course into the evening, they will return to their motels and enjoy what that community has to offer.

We wish all the Cleveland businesses much success. Hopefully, some people will wander through our village to see what we have to offer.

This is a meeting for all of our residents, the businesses and organizations. Come hear what to expect in August as the PGA tournament is held at Whistling Straits.

Public Works

Summer sewer rates will again be implemented this summer. Resident's sewer bills for June, July and August will be charged according to their previous nine-month average. This adjustment is made to allow people to water gardens and lawns, wash cars, fill wading pools, etc., without being charged a sewer fee for that water. The water portion of the bill is not affected and will

be billed according to measured consumption.

The following streets are slated to be slurry sealed this summer: Marshall Avenue from Oak Street to Westview Street; North Hickory Street from Grant Street north to the old Co-op; Hemlock Street from Madison Street south to Grant Street; Wildwood Lane from Linden Street east to the end; and East Jefferson Street from Citrus Lane east to the end. The work is tentatively scheduled to be completed in June. The streets will be temporarily closed while the work is being done. Notification of all residents/businesses will be done prior to work commencing as to the date and parking arrangements.

Now that the growing season is upon us, free compost is available to village residents. The compost is located behind the wastewater plant on Whitetail Lane. The compost is excellent gardening material.

The Village Public Works Department flushes water mains throughout the village twice a year. Please watch for the flushing notices that are posted throughout the village and avoid doing your laundry during this period. The water may become rusty colored and could possibly stain your clothes. If you experience discolored water, flush an outside faucet until the water runs clear. Thank you for your understanding.

St. Dominic Catholic School

We currently have students from Cleveland and would welcome more to our school family!

Why choose St. Dominic School?

Here are a few reasons:

- Catholic morals and values are integrated into the curriculum.
- Children remain in the same caring environment from Kindergarten through grade 8.
- Students are happy, secure, and challenged to learn to their potential.

St. Dominic School Creed

(recited daily by the students)

I am special because God made me.
I will do my best with the gifts God gives me.

Your continuing support of our efforts to make contributions to our community is appreciated.

The Cleveland Lions extend a "roaring" welcome to Denise Fritz, Tony Kowalski, Richard Lutze, Kenneth Jacobs, and Ron Jost as they join the group as new Lions. Anyone having an interest in giving back to our community through membership in the Cleveland Lions Club, please speak to any Lions member or contact Lion Ron Henschel, Chair of the Membership Committee at (920) 693-8942. Your reward as a member is a "Feel Good" feeling.

VFW News

There is a depository for faded, torn or old flags now located at the VFW clubhouse in Cleveland. The depository is a discarded postal service collection box acquired by the village postmaster.

The box was sandblasted by Don Christianson of Liberty Auto Body to prep it for painting; it was then painted by Ken Jacky of KJ Collision Repair of Cleveland. The lettering on the box was done by BC Signs of Manitowoc.

Special thanks to Cleveland State Bank for their donation to the VFW, which paid the bills entirely, in this worthwhile endeavor!

The "Old Flags" depository box was ceremonially inducted at the 50th Anniversary of the annual VFW ham dinner on Sunday, May 23.

Mark your calendar for the Lady's Auxiliary pork chop dinner to be held on Sunday, Sept. 26, 11 a.m.-2 p.m.

Many thanks to all who attended the men's 50th anniversary ham dinner.

US flags for sale: 3 x 5, \$20; 4 x 6, \$65; 5 x 8, \$80. We make no profit on sales of flags. Just doing our part to keep America looking beautiful. Also these flags are better made than you'll find at Fleet Farm, Wal-Mart, etc.

The clubhouse is for rent, \$45/day. Contact Wayne Schuette at (920) 726-4443.
