Village President's Message

It is hard to believe the summer is over and the children are back to school. The community certainly has had an interesting summer!

We started with a tragedy in June, something I hope never happens in this community again. We learned that one of our residents, Charles Kiser, was killed in Iraq while serving our country. It did not matter if you personally knew Chuck or not, the entire community was in mourning. We were inundated with media from all over. I told people, "Debbie Kiser is our Nancy Reagan, she has to grieve her loss knowing the media is watching her every move." But Mrs. Kiser fooled them; her strength was tremendous as a full military funeral honoring her husband was carried out. Let us not forget Chuck as he touched many lives in our community with his leadership and involvement. Also, please remember Debbie and her children as they plan for the future, one day at a time.

The East Wind Garden Club, the Cleveland Fish & Game, and the Cleveland Lions Club all provided activities for us to enjoy this summer. Our residents help make these events successful, which in turn allow them to make this a better community to live, work and play in. To these organizations, thank you for all you do for Cleveland!

I am also very pleased to announce that on July 1, the Village of Cleveland purchased the property north of the municipal garage. This purchase was authorized several months ago, but only with grant funds or donations. Our sincere thanks go to the Department of Natural Resources, Coastal Management, the West Foundation and the Cleveland State Bank. As we plan for the future of our lakefront and the former dam area, this acquisition has become a major piece of the project. And believe it or not, this acquisition will also provide opportunities for development in other parts of our Village. It is a "win-win" opportunity for the Village.

The Village Board continues to learn about this community, as we have informational presentations at our meetings. We recently heard from Dr. Michael Lanser, President of Lakeshore Technical College, Lynn Fiedler, President of the East Wind Garden Club, and State Senator Joe Leibham. It is a perfect educational opportunity for the Village Board to learn what is happening within our Village limits and beyond them.

The PGA tournament at Whistling Straits is now behind us. It was great to see our large Cleveland sign on the daily TV news, what a positive promotion for us! But better yet, many of those PGA attendees stopped at our local businesses and enjoyed what they had to offer. It was also fun to see the Canadian National luxury train parked near North Avenue for several days. I certainly want to thank our Village police officers and State Patrol for handling the major traffic increase and eliminating most traffic burdens for our residents.

Cindy Huhn, Village President

Blood Drive

On behalf of the American Red Cross, Lakeshore Disaster Support Group and the Cleveland State Bank, we would like to extend a great big "thank you" to everyone who supported the July 29 blood drive. A great big "thank you" is extended as well to the volunteers who made everything work smoothly.

The next blood drive is scheduled for Monday, November 15, noon-6 p.m.

Your support is greatly appreciated. Please watch for posters and signs.

Please call Pastor Endorf at 693-8612 to register.

East Wind Garden Club

Hello Gardeners!

Where has this summer gone?

The garden club had a busy and successful summer.

We had a very successful garden walk, the banners look pretty slick and our golfers silhouettes made a nice design element for the Pro Golfers Tour.

Speaking of silhouettes, we'd like to thank Alan Kultgen, for cutting out the silhouettes for our club. Alan is the son of club member, Kathy Kultgen.

I'd like to thank all the club members who helped work in all the community gardens this summer. They all turned out very well.

Another large thank you goes out to R.P. Jost for getting the banners installed in time for the garden walk. We really appreciated it.

And now the ongoing saga of Ivan the Terrible, woodchuck. Reading that we needed a larger trap, Ron Henschel came to the rescue with a very large trap for us to use. If Ivan doesn't fit in this one...I'm leaving town.

Anyway, Ivan was back at devouring the yard and burrowing under Grandma's garage when Hubby set the new larger trap at the entrance of Ivan's latest digs. Tom filled the trap with lots of veggies we know Ivan eats. To add insult to injury, Ivan tunneled under the trap to get back under the garage.

The diabolical, plant eating fiend. If that's not enough, we have Bambi, a raccoon, rabbits, turkeys and gophers that decided to dine at the Fiedler gardens this summer.

We have hundreds of feet of garden hose at the ready. When Tom spots a gopher, he runs and tries to drown it in its hole. Tom hasn't drowned any gophers, but the creek in back did rise about six inches last week. I hate to see the next water bill.

Dee Langohr, club member, suggests mole and gopher bait sold at Fleet Farm. I think we'll give it a try.

Remember, it's important to clean out the gardens, especially veggie gardens at the end of the season. It keeps a lot of virus and bacteria out of your garden soil that could ruin your veggie production for garden 2005.

Virus infections play havoc with cucumbers, melons, and tomatoes...big time.

I believe that's about it for now. Remember, if you planted a row for the hungry, food distribution centers can give it to those in need. Contact your churches, or local food pantries on where to bring your garden produce.

Enjoy the rest of the gardening season and keep your eyes open for Ivan.

There have been numerous Ivan spottings in the village...he may be dining on your yard next.

HAPPY GARDENING!

Lynn Fiedler, President-East Wind Garden Club

Cleveland Post Master

On June 30, Cleveland Post Master Jim Johnsen retired after serving the Village of Cleveland for 13 years. We thank Jim for his dedication and the many years of service he shared with this community. We extend best wishes to Jim and his wife as they enjoy retirement and settle into their new home in northern Wisconsin.

We also would like to extend a welcome to our new Post Master,

Gary Visser. Gary has 24 years of experience with the Postal Service, working in Sheboygan, Two Rivers, and most recently as Post Master in Random Lake. Gary is not a newcomer to the area, as he lives in the Newton area and has enjoyed playing baseball for a few years on Thursday evenings at our Vet's Park. When at the Post Office, please take time to introduce yourself and welcome Gary to our community.

VFW Auxiliary

The Cleveland VFW Auxiliary to Post 8974 will be sponsoring their annual grilled pork chop dinner on Sunday, September 26. Serving will be from 11 a.m.-2 p.m. Advance tickets can be purchased from any Auxiliary member. All are welcome.

VFW Post

The Flag disposal box at the VFW hall is being used frequently. So far 62 flags have been disposed. A big thank-you goes out to the Cleveland State Bank for sponsoring the box.

Police Department

With great sadness the Cleveland Police Department assisted in the planning of Staff Sergeant Charles "Chuck" Kiser's funeral and law enforcement processional on July 1, 2004. It was with great respect that law enforcement from around the State of Wisconsin paid tribute, for the first time in history, to a non-law enforcement veteran killed in the line of duty. One week later, Officer Jost traveled to Rhinelander to pay tribute to Kiser's fellow Army Reservist, Stephen Martin, also a Sergeant with the Rhinelander Police Department.

On March 23, 2004, Officer Ron Jost began teaching DARE in Mr. Sohn's fifth grade classroom. Believe it or not, in 1978 Officer Jost was a student in Mr. Sohn's sixth grade class at Cleveland Elementary, returning the favor of education to Mr. Sohn's current students.

On June 4, eleven students received graduation certificates for successful completion of the program. Mr. Larry Hisle, former Milwaukee Brewer All-Star was the featured speaker, and gave an emotional address to the entire student body about the dangers of drugs, alcohol and tobacco.

On May 3, the Police Department took a complaint of obscene phone calls from Lakeshore Technical College and worked closely with LTC and the Hancock County, Indiana, Sheriff's Department

to track down a suspect through telephone and computer Internet records. The Cleveland Police Department was able to track his Internet usage through assistance from LTC and two subpoenas issued by the Manitowoc County District Attorney's Office.

The suspect, from Indianapolis, Indiana, had made over 500 obscene calls throughout the nation over the past four years, and was finally apprehended and successfully prosecuted in Indiana.

On July 14, Chief Barber assisted the Department of Natural Resources and the Manitowoc County Sheriff's Department in the apprehension of a felony suspect from Chicago, Illinois. The Sheboygan County Sheriff's Department issued an attempt-to-locate on a vehicle involved in a gasoline drive-off from a mini-mart in their county. A DNR agent located the vehicle northbound on Interstate 43 and when the suspect vehicle rammed his truck near the City of Manitowoc, Chief Barber then led the ensuing chase, as the suspect fled northbound on the interstate. The suspect vehicle's tires were spiked by a Mishicot officer near STH 147, forcing the vehicle to stop two miles south of the Brown County line. A brief foot chase followed with the suspect being apprehended in a wooded area east of the interstate. The suspect vehicle was reported as stolen by the Chicago Police Department and the suspect was charged with several felonies by the District Attorney's Office.

Chief Barber continued to attend monthly meetings involving the traffic plan for the PGA event at Whistling Straights.

Officer Jost gave a presentation on that traffic plan to the Cleveland Fire Department and First Responders.

Administrative Assistant Deehr attended the LEAP (Law Enforcement Administrative Professionals) training conference.

Activity Report

Daily activity for the months of May, June and July 2004:

The Police Department responded to 92 requests for service, twenty-two agency assists, eight records requests, five department information reports, four house watches, three parking complaints, three auto lockouts, one family trouble, two disorderly conduct, four animal complaints, one warrant hit, three assist citizen, two EMS/assist ambulance, one family trouble, one neighbor trouble, one damage to property, one probation violation, two illegal passing of school bus, one traffic control request, one breach of trust, two 911 calls, two act as peace officer, two abandoned vehicle, three traffic accidents, two law enforcement funerals, two thefts, one obscene phone call complaint, one found property, two vandalism and two issuance of worthless check complaints.

One criminal referral was sent to the District Attorney's office.

Cleveland School

Another summer has come to an end and the Cleveland staff has worked hard to prepare for the first day of school. This year school began on September 1 and open house was held on August 31. This was a great opportunity for families to meet the teachers at Cleveland and to get things set for the first day of school.

On the first day of school you might have noticed a few new faces at Cleveland Elementary School. Jill Goebel joined us here as the new guidance counselor. In addition, Cary Smith joined us as the food server and Sandy Spatt is the new PACE instructor. Please welcome them to the school when you see them.

The school has undergone several renovations over the summer. Thanks to the Garden Club and many families, we have a new garden area on the east side of the building, a butterfly garden and will soon have a prairie garden added. A suggestion from a parent at a PTA meeting last year has led to a new sidewalk addition to the east side of the building to assist in the safety of the children when they are being picked up and dropped off. A green space area was also added to the west side of the building when the blacktop was replaced, this should help to keep the classrooms cooler in the warm months of the year.

As I continue learning more about Cleveland Elementary School and the community I am looking for your input and ideas. Please feel free to contact me or stop in if you have any questions or ideas about how we can all work together to help Cleveland's children.

I hope you all have had a restful and relaxing summer vacation, spending time with family and friends. I look forward to working with all of you throughout the course of the year.

Ted Hamm, Principal, 693-8242,
thamm@sheboygan.k12.wi.us

Cleveland Fish and Game

We'd like to thank the Village of Cleveland and its residents for the wonderful support we received with our 2004 Fishing Derby. Your support and volunteers helped make our derby a huge success.

Thank you, Jon Hoffman

Cleveland Lions Club News

The 25th annual Dairyland Festival is history. A huge "Thank You" to the community for supporting this event. Without the support of the merchants, more than 30 non-member volunteers, prize donors for our raffle, parade participants and the fine cooperation of our members we could not have pulled it off. Although all the expenses aren't in yet, the preliminary profit picture looks very good. Our success is the community's success, as it allows us to continue our local programs, such as the soccer program, little league support, swimming program and park improvements, along with many other Lions projects. Again a "Thank You" for all the support. A list of the raffle winners appears elsewhere in this newsletter.

St. Dominic Catholic School

We currently have students from Cleveland and would welcome more to our school family!

Why choose St. Dominic School?

Here are a few reasons:

- Catholic morals and values are integrated into the curriculum.
- Children remain in the same caring environment from Kindergarten through grade 8.
- Students are happy, secure, and challenged to learn to their potential.

St. Dominic School Creed

(recited daily by the students)

I am special because God made me.
I will do my best with the gifts God gives me.

I am unique, no one is like me.

I will treat others the way
I like to be treated.

I am an important part of my
school family, church family,
and world family.

I carry the future in my heart
and hands.

2108 N. 21st Street
Sheboygan, WI 53081

Free bus service is available through the Sheboygan Area School District.

Please call for more information
or for a personal tour by
Principal Peggy Henseler.

Our summer swim program was completed with many of the youth of our community participating and enjoying the session and most importantly learning the basics of swimming. Our financial contribution to this program was approximately \$1,200.

The Cleveland Lions extend a warm welcome to Steve Simons and Jerry Lewis, as they join us as new Lion members. Anyone having an interest in giving back to our community through membership in the Cleveland Lions, please contact any Lions member or contact Lion Ron Henschel, Chair of the Membership Committee at (920) 693-8942.

Cleveland Athletic Club

We have lots of winners here in Cleveland. First off, the CAC \$1,000 *Scholarship* winners are: Tim Salm, Katie Neumann and Alyssa Steines. Congratulations and good luck in college.

Next, we have our annual *Concession Stand Raffle* winners: Adam Colby \$1,000, Cindy Luedtke \$250, Mike Skelton \$100, Mike Cleereman \$100, and Jeff Steffen \$50.

We had two successful teams in *Manitowoc County Youth Sports* this year. The *Modified Girls Team* took second place and the *Cleveland Lions Peanuts* took fourth place for all of Manitowoc County. Great job! Congratulations to you all.

The park was just a-humming again this summer. Thank you for all the support given to us every year. We have such a great program and we could not do it without the support from all of you.

Check out the new sign on Dairyland Drive at the entrance to Veteran's Park. With the help of donations from various area organizations, we were able to upgrade the sign. It's awesome! Thank you, again!

All are welcome to join us. Dues are \$5. The meeting schedule is:

June, July and August – First Monday of the month.
September thru May – First Tuesday of the month.

Neighborhood Watch

National Night Out was held on August 3. We got together for the event at the Cleveland Fire Station. The kids played games and the adults talked and laughed a lot. We then took a stroll around the Village to celebrate the wonderful Village we live in and ended up back at the Fire Station for ice cream. It was wonderful. Thank you (all of you neighbors!) for keeping our Village both safe and a great place to live. It takes a lot of caring citizens to make a place where people want to live and raise a family. Hope to see you next year! If you have any questions about Neighborhood Watch, call the Cleveland Police Department at (920) 693-3442 to ask for or leave a message for Officer Ron Jost. He will be happy to answer any questions or concerns you might have. Thank you again!

A Day in "Little Switzerland" Cleveland Senior Citizens

Friday, October 8, 2004

Leave Cleveland and St. John-St. Peter Lutheran Church parking lot at 6:30 a.m.

Our day will be spent in America's Little Switzerland (New Glarus), located in the rolling hills of Green County, 25 miles south of Madison.

On arrival by 10 a.m., we will enjoy a pleasant journey back in time to the Swiss Historical Village. First opened in 1942, the village tells the story of the founding and growth of the Swiss Colony and the birth of the foreign-type cheese industry. The museum has been expanded to include 14 buildings with exhibits focusing on rural and small-town life with an ethnic flavor. Our tour guide will give us a personal look at all of this history.

Our 12:30 p.m. meal will be at the New Glarus Hotel where we will experience authentic Swiss atmosphere, food, and entertainment.

Since today opens the annual "Octoberfest," we should have the chance to spend some time at the park and the beginnings of these festivities. Otherwise, we'll have time to explore some of the charming shops, such as Maple Leaf Cheese & Chocolate Shoppe, Fifth Ave. Shops, Robert's Imports and Ruef's Meat Market; and, hopefully, the New Glarus Bakery will be open again by this time; all within a block or two of the hotel. We will plan to leave for home no later than 4 p.m.

Cost: \$59 per person includes transportation by Sunset Tours, Inc., admission to Swiss Historical Village, and lunch with entertainment.

For reservations call: Millie Bogenschuetz, 693-8852; Lorraine Van de Loo, 693-8060; or Kathy Jaehnig, 693-8921.

Reservations due no later than September 15 with full payment. No refunds after September 15, 2004.

2004 Manitowoc County Waste Tire Collection

Manitowoc County residents & businesses may drop off tires at the Materials Recycling Facility (MRF) at 3000 Basswood Road, Manitowoc.

The hours are:

Monday through Friday - 7 a.m. to 4 p.m.

Saturday – 8 a.m. to Noon.

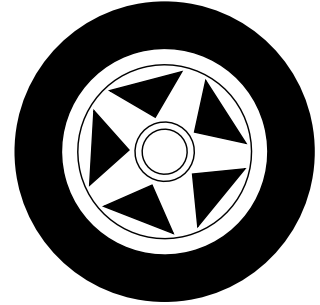

Fees:

\$1 each car tire or smaller (5 tires or less)

\$1.50 each standard truck tire (5 tires or less)

\$100 per ton or 5 cents per pound for 6 or more tires.

For more information, contact the Manitowoc County MRF at (920) 583-4333.

Cleveland Public Works

- The Public Service Commission has determined that the water utility is eligible for a cost of living increase of three percent for the water utility. The water utility requires the increase in order to meet the covenant requirements of its revenue bond. The increase will add an additional 82 cents to the water bill for a customer that uses 5,000 gallons of water.

- Water customers are reminded that the summer sewer rates will expire at the end of August. Rates for sewage service will revert back to actual consumption as measured by the water meter.

- Another thirty-six fire hydrants were sand blasted, primed and painted throughout the Village this year. It is planned to have the rest of the fire hydrants painted over the next two years. There are approximately 160 fire hydrants in the Village.

- Preliminary engineering work has begun on the reconstruction of Elm Street, East Madison Avenue and East Grant Avenue. Work is tentatively scheduled to be completed in 2005. Storm sewer, curb and gutter and new pavement are to be installed. All affected property owners will be contacted and an informational meeting will be held once the engineering and preliminary assessments are completed.

- Compost material is available at the yard waste site behind the wastewater treatment plant. Village residents are encouraged to help themselves to this excellent gardening material.

ONYX'S "HOW TO" RECYCLE SHEET
PLACE THESE ITEMS MIXED TOGETHER IN A BLUE RECYCLING BAG

MATERIALS TO BE COMINGLED	WHAT DO I RECYCLE?	CLEANING & PREPARATION	WHAT CAN'T BE RECYCLED?

Recycling Rules

Place BLUE recycling bag and recycling bundles at the curb by 7 a.m. on your recycling collection day. Glass, plastic, aluminum, and bi-metal containers shall be mixed together in a BLUE recycling bag that can be purchased at retail outlets.

Newspapers, magazines, and cardboard will be tied in bundles or placed in grocery bags and placed curbside, adjacent to the blue recycling bag.

If you have any questions, please call 458-6030 or 1-888-688-4005.

Trash should be placed in CLEAR plastic bags.
