CLEVELAND, WI

PERMIT NO. 6

Dear Fellow Village of Cleveland/Town of Centerville Residents & Property Owners:

Comprehensive Planning Begins

This is to inform you that the Village of Cleveland and Town of Centerville have begun the process to develop our respective Comprehensive Plans for the purpose of guiding and coordinating future development in each community. Grants from the Wisconsin Coastal Management Program and the Wisconsin Department of Administration have provided each community with the funding necessary to complete our plans. Our plans are designed to be long-range (10-20 years) and encompass a broad view of each community's past, present, and future growth patterns in respect to such areas as transportation, housing, demographics, economic development, and natural resources.

The Bay-Lake Regional Planning Commission has been hired to facilitate the process for the completion of both the Village of Cleveland and Town of Centerville Comprehensive Plans. Cleveland and Centerville have selected a joint 18 member Smart Growth Commission to provide information, communicate with fellow resident as to the progress being made on the plans, solicit public input, finalize, and approve the plans. The planning process began in June and is anticipated to be completed in October 2006.

Your Input is Needed

Comprehensive plans should reflect the people they serve; as a result, we are encouraging citizen input at all stages of the planning process. Identifying a vision for the future is the first step of the process. Therefore, each community is asking residents/land owners to fill out the

enclosed Visioning Survey in an effort to gather input regarding your community's future development/preservation. Your responses provided on this survey will be used as a guide during the development of the comprehensive plans and the growth of your community over the next 20 years. All members of the household are encouraged to respond on the same worksheet.

Help Wanted!!

In addition, the Smart Growth Commission would like to form sub-committees to help generate ideas and strategies for each of the plan's elements. One or two members of Smart Growth Commission will serve as chairpersons for these sub-committees. If you are interested in serving on one or more of the sub-committees, please complete the enclosed form. Your **Visioning Survey** and **Sub-Committee Form** are to be returned to your respective Village or Town Clerk **by Sept. 30, 2005**.

Thank you in advance for your input and participation into this planning process. We feel it will be a very informative and productive process to more efficiently guide our communities for decades to come. For more information on the enclosed or the planning process, please contact: Richard Heath, the Bay-Lake Regional Planning Commission at (920) 448-2820 or visit the Bay-Lake Regional Planning Commission website: (www.baylakerpc.org)

Sincerely,

Cindy Huhn, Village of Cleveland President
Brian Kraemer Town of Centerville Chairman

Village President's Message

While I was at the Lion's Dairyland Festival this summer, I had an opportunity to talk to a person who is new to our area. He had some kind words for our community that I would like to share with you.

He enjoyed being part of the small community, where neighbors care for each other and look out for each other. He also enjoyed the honest people, where a handshake meant something. It was a real pleasure for him to

relocate here from the big city.

His comments made me very proud of this community and it should make you proud also. You, as Cleveland residents, are why he said what he did. You make this community what it is!!

Earlier this month, you received some information about Smart Growth Planning for the Village of Cleveland and Town of Centerville. Please take a few minutes

to read the information and respond with your comments. Everyone's opinion is welcomed as we plan for the future of our area. This project will take several months to complete, with a series of open houses, newsletters and public hearings to keep you informed. I would like to thank John Kirsch, Bill Thiele, Fred Sohn, Marilyn Mrotek, Larry Dassler and Dave Salm for representing the Village of Cleveland on this project.

As we are aware of increasing gasoline prices each time we fill our own gas tanks, please keep in mind how this may affect your property tax bills. From the state operated vehicles, the county trucks, the Sheriff's Department squad cars, the numerous school buses, the fire trucks, the local squad cars and the public works trucks; can you imagine what a fifty cent a gallon increase can cost? The Village of Cleveland staff and trustees are very conscientious of this issue, along with many others, and will put together a budget we can all live and work with.

As the summer comes to a close, I would like to thank all the clubs and organizations for giving so much to this community. My thanks to the Cleveland Athletic Club for providing all the wonderful sporting activities at Veterans Park; to the Cleveland Fish & Game for providing the Fishing Derby; to the Cleveland Lion's Club for the Dairyland Festival and parade; and to the East Wind Garden Club for beautifying our village in numerous locations. Also, a special thank you to the Village of Cleveland for providing the financial support to offer the Summer Recreation Program at the Cleveland Elementary School. I hope you had an opportunity to enjoy some of the great things this community offers.

Cindy Huhn

Barn Dance at the Cleveland Bandshell

The green octagonal bandshell, once located near the intersection of North Avenue and Westview Street, was donated to the Pinecrest Historical Village. Now, the restoration is complete and Pinecrest is celebrating.

7 PM – 10 PM

Pinecrest Historical Village

924 Pinecrest Road, Manitowoc

**Workshops Continue to Put the Historic
Lutze Housebarn in the National Spotlight.**

Centreville Settlement, Inc. is a nonprofit organization dedicated to the preservation of rural heritage in the Centreville Area.

The Lutze Housebarn is a unique structure, is heralded across the nation as an outstanding example of Saxon German architecture from the 1850's. Since 1992, steadfast volunteers have provided talents in woodworking, stone masonry, hole digging, landscaping, cleaning artifacts, old fashioned cooking while enjoying the old time fellowship of working together outside for a common agrarian project.

The workdays are open to all-young and old. Wear sturdy shoes, work clothes and bring gloves. A farm style dinner, served at 12:30 pm, satisfies the hearty workers. The upcoming workdays include: September 24, October 8 & 22 with the last scheduled workday in November on 12. Please mark your calendars! To find out about a specific day's activities, call Kathy Pearce at 451-1134 or Chris Kuehnel at 693-3141. Further information is on the website at centrevillesettlement.com

Events this summer included hands on restoration clinics in old time Saxon German Skills. This is the only class now being taught in the United States and what is exciting, it's right here in your own community. Nogging is the art of clay and straw mixed together to insulate the outside of the structure. A nogging specialist from Germany was consulted and Chris Kuehnel led the

Schuette's.

workshops, which drew participants from a 150-mile radius to learn the ancient art. The timber frame repair workshop was held in late August with a group of 12 participants gaining hands on experience making replacement timbers for the Housebarn structure.

Over the past 16 years at the Lutze Housebarn nearly 18,000 hours of volunteer time have helped it remain one of the premiere historical hands on restoration sites in the country. Tours are available on workdays from 10 am-12:00 pm, call in advance to schedule group tours. For more information about volunteering at the Housebarn, call Janet at (414) 964-0319 or Chris at 693-3141.

Centreville Settlement, Inc. continues to keep Cleveland and the surrounding area in the historical limelight with articles in national level journals, public television documentaries and representation by member on boards of the state historic organizations.

A subgroup of Centreville Settlement is The Greater Centreville Historians. Charlie Bauer and Jerry O'Neil are heading up the project of documenting by video local people with shared remembrances. All tapes and transcripts will be housed in at Lakeshore Technical College...for the next meeting call Kathy Sixel or Edith Lutze.

Cleveland Athletic Club

Thank you to all of our supporters. We had a wonderful successful summer at the park. The Wildcats are in the Championship Game of the East Shore League, which will have been played, and hopefully won, by now.

The Concession Stand Raffle was held on August 14th, 2005; the winners were: Jon Bennin, \$1000; David Nees, \$250; David Schmitz, \$100; Jeff Stoeckigt, \$100 and Hazel Wagner, \$50. Congratulations and thanks for all your support.

Wednesday Night Women's League and "Over 30) Men's Thursday League have completed their seasons. Tuesday Night Volleyball Leagues just finished up summer league, but they will have a fall league for about 5 weeks starting in September. Call Ron Schisel at 693-3280 for the schedule if you are interested in playing.

The Cleveland Lion's Little League Program was great with eight teams participating. We hope you all had a lot of fun. The Manitowoc County Youth Sports Pizza Sale supports the little leagues in Manitowoc County. Cleveland area top sellers were: Mike Brendel, Cody Stewart, Justice Rieth, and Tyler and Ryan Zastrow. Great job, guys, and thanks so for all your hard work.

We extend a final and very special THANK YOU to Paulie and Romelda Albright for all their support and the use of the "back room" for our meetings. The Palace will be greatly missed. Good Luck to them in the future.

Cleveland Clever Clovers 4-H Club

Thank you to ALL who supported our brat fry in July.

The members of our club have been busy this summer, congratulations to Katie, Michael, David, Rachael, Chloe, Iantha, Gwen, Brandon, Aaron, and Ryan on their participation ribbon for their skit "A Day at the Circus" in which they performed at the Wisconsin State Fair. Katie also represented Manitowoc County in the Demonstration Event at the State Fair. David and Rachael attended 4-H camp this summer and Katie counseled Cloverbud camp. Manitowoc County Fair saw many of our members enter projects, participate in the demonstration event, work the Teen Food Stand, and promote 4-H on the Breakfast Club and during the fair.

Cleveland Elementary School

Cleveland Elementary School is already in full swing! This year we are proud to include 4-year-old kindergartners in our school. The inclusion of the 4-year-old kindergarten program is the result of a great deal of work of many people at Cleveland Elementary School and the Cleveland community. The new program is considered a satellite program of the Sheboygan Area School District's Early Learning Center a model program for early childhood in Wisconsin. The program will run Monday, Tuesday, Thursday and Friday from 8:30 to 11:30 with teacher visits to the home taking place on Wednesdays. The home visits allow the teacher, child and parents to work together in the home four times during the school year. If you are ever curious to see the program in action or have any questions, please feel free to call me and we can schedule a time for you to come in and visit. The program will be a great addition to Cleveland School and the community.

Over the summer the results of our statewide testing were announced and I am very happy to announce that Cleveland School had 100% of our 3rd and 4th graders were advanced or proficient in Reading and Language Arts. This means that all of our students that were tested met the state academic standards in reading and writing. This is a very nice accomplishment for the students, staff and families at Cleveland School and something we are very proud of.

As the school year continues, please feel free to give a call or email with any questions you might have.

Ted Hamm, Principal, 693-8242. email: thamm@sheboygan.k12.wi.us

Cleveland Snow Hawks

The Cleveland Snow Hawks will be sponsoring a snowmobile safety class again this year. The classes will be held at the Centerville Town Hall/Manitowoc County Highway Shop/Cleveland Nutrition Site.

Classes will be held from 6:30 p.m. to 9:00 p.m. on Wednesday, Nov. 9th, Tuesday, Nov. 15th and Tuesday, Nov. 22, 2005. The driving test will be Dec. 10th or Dec. 17th at Dairyland Park. Any person who is at least 12 years old and who is born on or after January 1, 1985, is required to possess a valid Snowmobile Safety Certificate in order to operate a snowmobile on public trails, lands or frozen waters.

If anyone is interested in taking the class please contact Fred or Kay Bitter at 920-693-3308 before October 13, 2005.

The Cleveland Fish and Game Club

The Cleveland Fish and Game Club would like to thank everyone that supported us with our fund raising events this summer. Both the Poultry shoot and fishing derby were successful. We had a record-breaking turn out for our fishing derby this year. A total of 570 fishermen registered 2,404 fish over the three-day weekend. The Untouchable boat of Jay Torke won the Super Derby with a catch of 274.14 Points. Jeff Gottsacker of Sheboygan won the grand prize of \$500.00 and the first place King Salmon category prize of \$250.00 with a 26.86 pound fish. The other category winners also collected \$250.00 for their catch. Coho Salmon, Todd Dallapiazza (Fond du Lac) 9.76 pounds. Lake Trout, Randy Schneider (Malone) 16.19 pounds. Brown Trout, Dave Barnes (Newton) 29.78 pounds. Rainbow Trout, Grant Marcus (Hingham) 13.07 pounds. Second place winners each received a \$150.00 gift certificate for Fleet Farm. Third place winners received a fishing rod and reel package. Fourth place winners each received cash prizes of \$50.00.

Hello Gardeners!

I was so sure that Ivan the Terrible Woodchuck was dead: that I actually uttered the words, "I think he's really gone."

NOT! August 10, I'm talking on the phone gazing out the kitchen window while hubby is working in his office. That's when I saw him lumbering across the back of the property. I then shriek, "Tom, Ivan's back!" I hope a Beltone will help the lady I was on the phone with. I didn't want to admit that he may still be alive when I saw a large hole

in my flowerbed this summer, because nothing had disappeared. Will this garden torment ever end?

Mark you calendars for Saturday, October 22, 2005, Cleveland Elementary School, \$5.00 admission. Melinda Myers will once again share her horticultural knowledge with the lakeshore. She'll talk about fall color, winter interest, and garden maintenance and answer any question you may have. We'll have door prizes and refreshments while they last. This is not a fund raiser for our group, but an educational experience for lakeshore gardeners. We hope to see you there.

Saturday, July 8, 2006, will be the date of the East Wind Garden Club's next garden walk. I'll release the names of the homeowners in the next bulletin. I'm still looking for one more garden. As of right now, we have six gardens lined up for public visits.

Doing an "over the top" garden fell through for this summer. It may be just as well because the high oppressive temperatures would have fried a newly planted garden. Finding the right spot with access to water is tough too. If you think your property would suit a garden like this and you'd be willing to water it and have people stop by to look at it, give me a jingle at 693-8553. We'll see what we can do for next summer. Your yard could be the talk of the town. (I don't know if that's good or bad.)

It's just about time to clean out the veggie gardens. Check with a local food pantry to see if they will take excess veggies off your hands. This way, none of your labor goes to waste and some hungry family will have something nutritious to eat.

St. Dominic Catholic School

We currently have students from Cleveland and would welcome more to our school family!

Why choose St. Dominic School?

Here are a few reasons:

- Catholic morals and values are integrated into the curriculum.
- Children remain in the same caring environment from Kindergarten through grade 8.
- Students are happy, secure, and challenged to learn to their potential.

St. Dominic School Creed

(recited daily by the students)

I am special because God made me.
I will do my best with the gifts God gives me.
I am unique, no one is like me.
I will treat others the way
I like to be treated.
I am an important part of my
school family, church family,
and world family.
I carry the future in my heart
and hands.

Free bus service is available through the
Sheboygan Area School District.

**Please call for more information
or for a personal tour by
Principal Peggy Henseler.**

Hopefully by this fall there will be a photo display of the installation of the Garden Makeover contest winner's garden. Look for it at the bank or the village hall.

There have been many gardening opportunities opening up on Elm Street. Lots of our front yards are dug up already, utilities are marked and you just have to do a deep till or double dig, haul in the compost and shape the new bed. Most of our front space will be turning into a shade garden...I can't wait to start. Oh, yes ladies...don't forget to tell your hubbies about the garden projects because you'll need some of their muscles for hauling

compost.

Now most of the husbands on Elm Street aren't talking to me and yes I do understand sign language. Just think how nice the neighborhood is going to look.

Enjoy the rest of the summer and fall and remember, Christmas is just a few months away and I'll keep my eyes open for the great gifts for the gardener in your house.

*Until next time. Happy Gardening!!
Lynn Fiedler-President-East Wind Garden Club*

Lakeshore Disaster Support Group

Thank you, and please...

On behalf of the American Red Cross, the Lakeshore Disaster Support Group wishes to thank each and every person who contributed toward making our July 18th blood drive a REAL success. Despite the heat — and it was really warm — we had a very successful blood drive.

And now we ask again.

Our next blood drive, and the last one for the calendar year 2005, will be Monday, October 10, 2005. We are

again asking that you take an hour out of your busy day and stop at St. John St. Peter Lutheran Church and donate blood for the benefit of all of the community and surrounding area.

Our local area does a terrific job of supporting the blood drives. We are very proud of the contribution that this area makes to the total blood drive effort.

Please keep up the good work!!

Cleveland Lions Club News

A huge **"Thank You"** to the community for supporting our 26th annual Dairyland Festival. We sincerely appreciate the support of the merchants who contributed to the raffle ticket prizes, the many non-member volunteers who assisted us, the parade participants, and the cooperation of our members. Without this fine cooperation we could not have pulled it off. Our success allows us to continue our local programs, such as the swimming program, soccer program, little league support and park improvements, along with many other Lions projects. Again a **"Thank You"** for all the support.

Our summer swim program was again a success, with many youth of the community participating and enjoying the session and most importantly learning the basics of swimming. Our financial contribution to this program was approximately \$1,200.00.

The Lions will again sponsor the holiday "nut sale". We will have good quality pecans, cashews, and mixed nuts available in mid November. They will be available for purchase at the Cleveland State Bank or from any Lion member.

The club recently recognized Lion Carl Kolb for his

many years of service as our club secretary by awarding him a Birch-Sturm Fellowship. The award is given to those Lions, Lionesses, Leos and non-Lions who exemplify undying dedication and commitment to the work of the Wisconsin Lions Foundation and the humanitarian works that it supports. We **"Thank"** Lion Carl for his service.

With the sale of Paulie's Palace, the community is losing a spot that has served as an anchor for many of our organizations. Paul and Romelda have always been there to assist all of us in providing a meeting place and actively promoting our community. We are indeed indebted to both of them for "twenty five" years of service. The question has been raised as to what Paulie will do with his spare time, other than go out for breakfast and tease Romelda. Our **"Thanks"** to you both. We look forward to the Rupp's becoming a part of our community.

Lion Boots Brandt serves as Membership Chair for our club. Should you have questions about membership or an interest in joining us, he can be reached at (920) 693-8934.

LTC Board Elects Officers

The Lakeshore Technical College Board recently elected officers for the 2005-06 academic year.

James Lehrke was elected board chairperson. He has served on the board for a decade and is the president of Safety Connections, Inc.

Cindy Huhn will serve as vice chair. She joined the board in 2002 and is the Village of Cleveland president. Cindy is also the vice president and cashier at Cleveland State Bank.

Jerry Voechting was elected secretary/treasurer. He has served on the board for 24 years and is a retired business representative for Sheet Metal Workers Local 18. Two individuals were reappointed to the board in addition to Cindy Huhn: Nancy Crowley and Jutta Furca. Along with the board officers, they join fellow board

members Ruth Harker, Roy Kluss, John Lukas, and Dr. C. Lee Riter.

The LTC District is headed by a nine-member board of directors who serve staggered three-year terms and are responsible for the direct operation of the college. They are empowered to levy property taxes, provide for facilities and equipment, employ staff, and contract for services. The board sets academic and grading standards, appoints the college president, hires instructional and other staff, and manages budgets. The board includes two employers, two employees, a school district administrator, a state or local elected official, and three additional members as defined by statute. A district appointment committee composed of county board chairpersons appoints board members subject to the approval of the Wisconsin Technical College System Board.

Cleveland Police Department

During the last three months, the police department has been involved in several activities in Cleveland and Manitowoc communities.

The police department participated in a "Click It" or "Ticket It" traffic enforcement during the Memorial Day weekend. The speed trailer was set up at problem spots throughout the village. The police department also provided traffic control for several events in the village including LTC Graduation, Ant Hill Mob Motorcycle Ride, and the Dairyland Days Parade.

The police department is also participating in the WI WINS program, which commends businesses for not selling tobacco products to youths. Compliance checks were recently completed with 100% satisfaction, "THANK YOU," Bonde's Quick Mart and Stoltenberg Grocery for thinking of our children!

Chief Barber conducted a Bicycle Safety presentation to the Cleveland Elementary 2nd graders. Everyone in the class was provided a bicycle helmet with donations provided by Wal-Mart. Chief Barber also gave a presentation to the 3-4 year olds in the Tikes Summer Recreation program.

Officer Jost concluded teaching D.A.R.E., with a graduation ceremony in June. The police department still has plenty of FREE gunlocks through the Child Safe Project.

The gunlocks are available during regular business hours at the village hall or the police department. Remember that the best way to avoid firearm accidents is to keep them in a secure location away from children.

SCHOOL IS OPEN

Remember the speed limit is a school zone is 15 MPH when children are present Monday through Friday 7:30 AM to 4:30 PM. The fines double for speeding in a school zone when children are present. Also remember to stop for school bus flashing lights!!! The first day of school was September 1.

ACTIVITY REPORT

The daily activity for the months of May through July 2005: The police department responded to 230 calls for service. Three car lock outs, fourteen animal complaints, four 9-1-1 calls, four records requests, seven thefts, four

Cleveland Elementary PTA News

Hope everyone had a wonderful summer!

We would like to thank everyone who supported our Kringle sale. We had a great sale!

Also, thank you to everyone who is helping support our school by collecting the BOX TOPS (General Mills Products), Campbell Soup Labels and Tyson Project A+ labels for our school. This helped raise money and earn free merchandise for our children's school. Let's keep up the great job and keep on collecting. There is a box at school

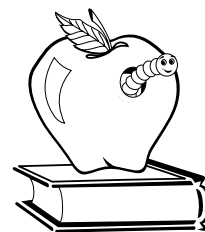

disturbance, one fraud, one noise complaint, one vandalism, two tobacco compliance checks, two resisting/obstructing, one possession of drug paraphernalia and several different traffic violations.

and at the bank where they can be dropped off.

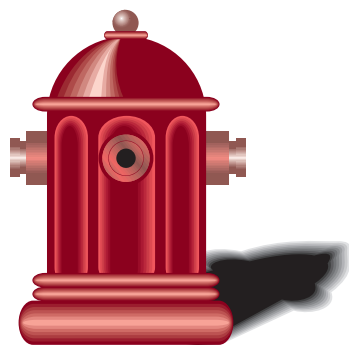

MARK YOUR CALENDARS! September 26th is our Walk-A-Thon. Please support our children.

Please come join us at a meeting we look forward to seeing new faces. We meet the second Monday of every month at 6:00 pm in the school library.

Wendy Henschel, Public Relations

Public Works

The last of the fire hydrants were sand blasted, primed and painted throughout the Village this year. Forty hydrants were painted this year. If any hydrants were missed, please let Public Works know so they can be painted next year.

Water customers are reminded that the summer sewer rates expired

at the end of August. Rates for sewage service will revert

back to actual consumption as measured by the water meter.

The Elm street reconstruction project is completed. The construction for the most part went smoothly. A big thanks to the local residents for their patience and understanding during the construction. This area now has bragging right to having the best streets in the Village!

Compost material is available at the yard waste site behind the wastewater treatment plant. Village residents are encouraged to help themselves to this excellent gardening material. Now is a good time to start preparing your gardens and flower beds for next year.

Cleveland Red Hat Society Formed

The Cleveland Red Hat Society began in November 2004 and continues to grow. We became a chapter of

the Official Red Hat Society (RHS) society in June 2005, which allows the charter members to take part in Official RHS Events! It's a society that is for women of all walks of life that are age fifty (red hatters) and if you are younger than fifty (pink hatters).

The Cleveland Red Hatters chapter consists of women from the Cleveland area and former Clevelanders. We now have approximately forty Cleveland Red Hatters in the chapter. We gather together the 4th Monday of the month for social time, which has been for breakfast or

lunch. We are just in it for the fun, acquainting ourselves with other ladies in the Cleveland area and enjoying being together. You may have noticed that some of the ladies participated at the Dairyland Festival Parade.

Please contact Gertie Free, email: egfree@tds.net or LaVerne Brandt for more information if you are interested in joining the group.

The website of Official RHS is: <http://www.redhatsociety.com/> if you are interested in learning more about the society.

The Red Hat Society Statement of Purpose: "The Red Hat Society began as a result of a few women deciding to greet middle age with verve, humor and élan. We believe silliness is the comedy relief of life, and since we are all in it together, we might as well join red-gloved hands and go for the gusto together. Underneath the frivolity, we share a bond of affection, forged by common life experiences and genuine enthusiasm for wherever life takes us next." Sue Ellen Cooper, Queen Mother, Official Red Hat Society.

Vickie Velten, Cleveland Red Hatters

Local Residents Now Have to Register to Vote

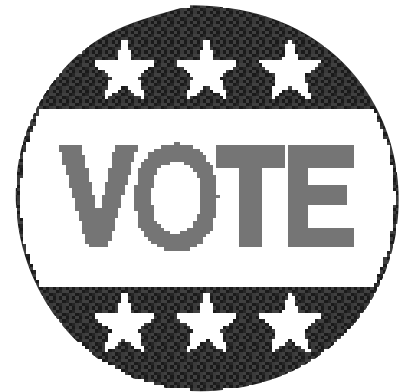

New state voter registration rules require all municipalities – towns, villages and cities – to keep track of voter information in Wisconsin's new Statewide Voter Registration System (SVRS). All Cleveland residents must register and be entered into the system before they can participate in another election.

The new rules will help every clerk in Wisconsin to keep track of voters who have moved or passed away, or who haven't satisfied a felony conviction. It will also be easier to check for those persons who may try to vote more than once in an election.

To register, Village of Cleveland residents must go to the Clerk-Treasurer's office at the Village Hall, 1150 W. Washington Avenue, Cleveland, and present a Wisconsin driver's license or state identification card. Office hours are 8:30 AM to 4:30 PM, Monday through Friday. Voters who do not have a driver's license or ID card may provide a social security card instead.

Although Election Day registration will be allowed, unregistered voters will face extra delays at the poll as they complete paperwork and get entered into the system.

For general information about Wisconsin's voter registration system and election procedures, contact the Wisconsin State Elections Board at 1-866-VOTEWIS (868-3947) or seb@seb.state.wi.us, or on their website at <http://elections.state.wi.us>. For information specific to the Village of Cleveland, contact the Clerk-Treasurer's office at 693-8181 or village@clevelandwi.gov.

Cleveland Seniors

October 13th Cathy Ley, the Nutrition Program Coordinator, will present "Stepping up to a Healthier Life Style".

Also, a reminder of our annual Christmas Party, which will be December 8th. Any questions call Joan Schmitt, Club President, 693-8358.

Come eat with us.

Meals are served Tues, Wed and Thurs. To make reservations call Linda Frish, Senior Site Manager, 698-1933.

All meetings are held at the Senior Hall.
